Report

In our effort to support GO GREEN movement, Esco is minimizing paper used for our test reports. All reports will be condensed from multiple printed pages to just a single page. Hand-recorded reports will be presented to customers immediately at the end of the test. Data integrity is also achieved as recorded data cannot be accidentally modified, fabricated and deleted. Customers requiring the binded-report format are to submit the request at the point of sending Esco a purchase order. An additional of THB 500 applies per report.
